

## The **Retractable II™**

### our affordable self-winding banner stand displays amazing value

An economical self-winding banner stand created for short term and less demanding display requirements. With all-metal construction and reinforced side plates, the Retractable II™ is a solid, economy banner stand.

- Graphics unwind from the anodized aluminum support base
- Lightweight and easy to carry
- New padded transport bag
- Now available with an optional display light
- 33-1/2" (85cm) wide by 81-3/4" (211cm) tall

## **GrandStand™**

### a superior banner stand at a reasonable price, the Grandstand™ is a grand slam

This mid-range system will withstand the rigors of exhibitions without folding under the pressure. Graphics easily wind into the banner base for quick set-up and break down. With a stylish black finish, both GrandStand™ models project a sleek appearance that doesn't distract from the message. The display includes:

- Gray nylon bag with black trim
- Optional 50 watt light also available
- Available in 33-1/2" (85 cm) and 39-3/8" (100cm) widths by 86-1/4" (220cm) tall

### a line of retractables that offers plenty of options

Available as a single- or double-sided display, Banner Bug™ comes in a range of sizes, from the pint-sized Desk Bug to the 10-foot-high Giant Bug. Banner Bug™ displays are sleek and modern. They roll up in seconds. And when the time comes for new graphics, they're quick and easy to change. Line ranges in width from 8-1/2" (21.3 cm) to 72" (183cm).
